"Life is very short and there's no time for fussing and fighting my friends." So goes the line from the famous Beatles song. Pull the other one Lennon and McCartney! Ok, relatively speaking, life is very short but that's not to say there still isn't plenty of time for fussing and fighting. I find ten minutes is usually long enough for a good fuss and a real humdinger of a fight.

POO OR SICK

What's
it to
be?

It's a difficult decision isn't it? But imagine, for sake of something to do, that you were faced with the awful dilemma of having to choose between eating either the poo or the sick of one of the above celebrities. Come on, it's no good turning your nose up, which would you choose? Tricky isn't it? Yet it's a dilemma that millions of us are faced with every single day of our working lives.

Now it's no good answering "Neither, don't be so disgusting," the question is, If you really had to. If your life depended on it. Would it be the poo or the sick? Jimmy Saville's or Dot Cotton's?

Write and tell us who's poo (or sick) you'd least like to eat.

SECRET OF MYSTERY CORN CIRCLES REVEALED!

The mystery corn circles seen yesterday at breakfast time.

HAMPTON COURT

Claimed to be "The original and best," a 30g serving of these mysterious corn circles provides at least 25% of the average recommended daily intake of vitamins, niacin, riboflavin and thiamin.

THE OLD BAILEY

However, sightseers wanting to take a closer look at the circles were given this chilling reminder. A top scientist warned, "Some settling of contents may have occurred during transit. Best before July 92."

Every summer for the last 10 years, their mysterious appearance has had the country's top boffins baffled. But following minutes of painstaking research, we can reveal the mystery that lurks behind those strange corn circles.

MAIZE

Formed from a combination of maize, sugar, salt and fortified with vitamins and iron, the corn circles are manufactured by a company called Kelloggs (by appointment to HM, The Queen, Purveyors of Cereals).

SOAP STAR IN MOONWALK SENSATION!

The sensational truth behind the 1969 Apollo II moon voyage has at last been unearthed. Twelve years after Neil Armstrong first set foot on the moon and uttered the immortal lines, "One small step for man, one giant leap for mankind," the truth can be told.

For the astronaut in question, wasn't Neil Armstrong, but none other than "Emmerdale Farm" favourite, Seth Armstrong.

BLOODY

Seth takes up the story, "I was an out of work actor at the time, just trying to make ma name on Emmerdale Farm tha knows and thas had no money for t'thale. So I took any job a were offered tha knows. It wa bloody awful a can tell thee, eatin' arta bloody tubes and fillin' ma trousers where I stood, with not a dock leaf in sight to wap bum on. The only drink I had for months was arta sea o tranquility. That Buzz Aldrin weren't much company either. He were a miserable bugger who knew sod all about sheep."

BUGGER

We contacted Mr Aldrin, now a scientific research

**Another

tissue
of lies**

assistant in Michigan. "Yes its true," he admitted, "I'm afraid, Neil Armstrong didn't travel as planned as he was injured in a celebrity five-a-side match, against Jimmy Hill's all star five, two nights before take off. Neil scoring both goals in a fine two one win, after John Motson had given the All Stars a shock one nil lead. It was after the match that Neil disclosed that he had a recurrence of an old hamstring injury and declared himself unfit for space travel."

Seth goes walkabout on the moon.

Ready for take off, Seth (left) pictured with Buzz Aldrin and the other one.

FIDDLESTICKS

When pressed further, Buzz revealed that Seth wasn't the first choice. He was in fact third. "First choice was I.T.N's Fiona Armstrong" explained Buzz, "as she is far more intelligent and has a gorgeous bum - far nicer than Sandy Gall's. Second choice was Louis Armstrong, but it was felt he would be something of a hindrance as he had been dead for some years."

SUGAR

So that's how we ended up with Seth" continued Buzz.

Fiona Armstrong - nice arse.

"He was a total pain in the arse. It was top secret that Neil wasn't going, but the idiot nearly blew it. It happened at the final press conference, when asked whether he would cherish the first moments on the moon's surface, Seth replied, in the broadest Yorkshire accent I've ever heard, "Eee, I just hope there's more atmosphere up there than in t'bloody Wool Pack."

VENABLES

"I had to cover up for him all the time" said Buzz. "The uniform was another problem with him, he wouldn't wear the regulation leaded anti gravational lunar footwear, insisting instead on size eleven wellies caked in cow shit and shouting, "If they're good enough for top medda they're good enough f't' bloody moon."

ZIT PICTURE EXCLUSIVE- "THE QUEEN'S BOTTOM!"

HOW TO ATTRACT WOMEN

♀ NEW! SCIENTIFICALLY APPROVED! ♀

Some men are able to attract women effortlessly. Scientists have carried out detailed research and have concluded that this is due to **PHEROMONES**:- body smells that are not consciously detected by women, but act on a subliminal level which effects their behaviour:- the woman finds the man attractive but she does not know why! Just look what the papers say about **PHEROMONES**:-

- ♀ " **PHEROMONE** secretions not only attract women, but repel other males " - **WORLD MEDICINE**.
- ♀ " **PHEROMONES** are thought to prime women to be more sexually receptive " - **DAILY TELEGRAPH**

SCIENTIFICALLY AND SUCCESSFULLY TESTED BY Dr. M. SMITH OF WARWICK UNIVERSITY AND ON T.V's TOMORROWS WORLD

And if that isn't enough, see what some of our users say:-

Unfortunately we are unable to bring you the promised photographs of the Queen's dimply white buttocks as our photographer was thrown out of the Royal bathroom and charged with loitering behind a toilet with the intention of snapping a member of the Royal household's bum.

**TREVOR
BROOKIN'
GIVES IT
TO YOU
STRAIGHT!**

Well obviously I'm er lookin' forward to the new season. It should be all the more interestin' particularly considerin' all the players that have changed clubs during the close season. Oddly enough, at the weekend I got caught up in some hectic transfer activity myself. Transferin' the Begonias and beddin' plants from the rockery to the flower beds, if you must know.

While we're on the subject of the new season, it's a question I'm constantly asked by Arsenal and Liverpool fans alike, so let me make myself perfectly clear on this one. Your daffs and your dahlias do prefer a more loamy soil but don't like to be exposed to the cold - worth bearin' in mind now there's a chilly nip in the air.

But it is amazin' how much money foreign clubs are prepared to pay for a player. Gazza's on his way to Italy for £4.5 million, while everyone's favourite "Best Man" David Platt, has already agreed to join Bari Island for a cool 5 million.

Though I must say I can't see the attraction of the continent. Me and Mrs Brookin' prefer a fortnight on the Isle of Wight. The weather wasn't good but we did enjoy a typically robust local derby between Ventnor and Shanklin (Ventnor running out winners 17-12)

Actually, it was while shoppin' on the Island that I came across this pullover. Do you like it? It's from C&A, 50% polyester cotton with a rather fechin' natty little stripe runnin' up it. Obviously, I have

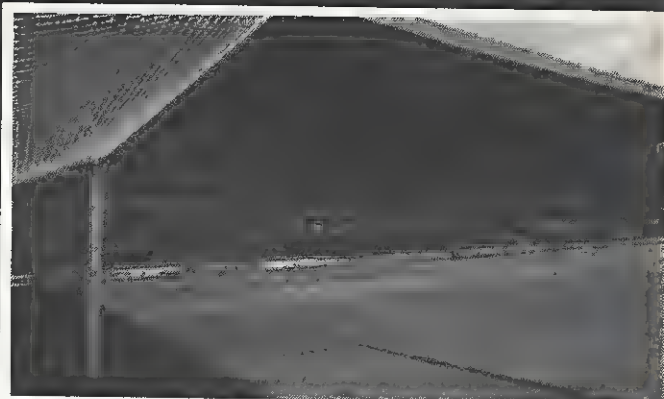

to be careful when washin' it as it tends to run at higher temperatures. Unlike Barnesey, ho ho (Tarby watchout).

Which reminds me, the other afternoon, top referee Lester Shapter popped round for a Mr Kiplin's French Fancy and a chinwag about the new law concernin' the professional foul. We had a pretty interestin' debate but just couldn't see eye to eye. I prefer the pink ones, while Lester has a soft spot for the chocolaty ones. Still, it just goes to show what a funny old game it really is.

Anyway, enough of this ramblin'. Who do I fancy for the Championship? Well obviously it's goin' to be tight... but that's enough about "Motty" Motson's botty. To win the league you need an attackin' team with plenty of pace and strength in all departments. So I'll stick my neck out and go for...the West Indies. Failing that, put a few bob on Ventnor.

GREAT GOALS OF OUR TIME!

This month, the one at the North end of Tottenham's White Hart Lane.

**Dear
Derek**

Coronation Street's Derek Wilton takes time off from 'doing' Mavis to answer your footballing queries.

Dear Derek,
Please could you settle an argument for me. My brother claims that former Aston Villa star, David Platt, started his career at Crewe Alexandra, whereas I reckon he's an ugly cunt. Who's right?

Tommy Jenkins,
Hartlepool

Well Tommy, you and your brother can stop squabbling because you're both right! Ex Villa star David Platt is indeed overrated, while it's a little known fact that David is also the patron saint of all ugly horses.

MY MOST MEMORABLE MATCH

**Rochdale v Hereford
14th April 1980**

Thanks go to Michael Hutson of Lancashire for reminding us of this classic end of season mid table thriller. Michael recalls, "It was a scrappy affair and ended up nil nil. Although Rochdale nearly scored halfway through the second half when there was a bit of a goalmouth scramble."

Brazil winning the World Cup 1962. A game not dissimilar to the Rochdale Hereford thriller. Eleven men on each side trying to force a round leather object between 2 posts. Evidently Brazil had more success at it than Rochdale.

WHAT YOUR T-SHIRT REVEALS ABOUT YOU!

Have you ever wondered what your T-shirt tells the world about your personality? No, stupid question really. Anyway, predictably enough, a recent study by a team of eminent American psychiatrists says you are what your T-shirt says – sort of thing. Here's a few examples. See if you can spot yourself.

I RAN THE WORLD

You are overweight and over forty. You've probably never even ran for a bus.

ACID DESIGNS

You're a farty civil servant or someone who works in the tax office. Your idea of a rave is to spoil your tea by eating a Milky Way on the way home.

FRANKIE SAYS...

Worn by ageing homosexuals, sadly under the impression that they're hip and swinging young things.

FRANKIE HOWARD SAYS...

Worn by students and young homosexuals who should know better than to pander to the ego of an old has been.

MY FRIENDS WENT ON HOLIDAY AND...

You don't have any friends you sad man. Admit it, you bought it yourself to make people think you're Mr Popular.

Two Leeds United supporters.
(a pair of tits in a Bulldog T-shirt)..

SAVE THE RAINFOREST

I saw you in McDonalds you two faced bastard. Save the rainforest my McArse. You don't give a McShit do you?

PIERRE CARDIN/GUCCI/LACOSTE

You're a football thug who's probably on the dole. Where'd you nick it then? Still, at least it matches your white socks and Stanley Knife.

TIE DIES

A bank manager or record exec who had ideals in the sixties but you sold out didn't you, toe rag.

NO WUCKIN FURRIES

Who are you kidding? You're a stressed out estate agent trying to convince the boss you've still got what it takes.

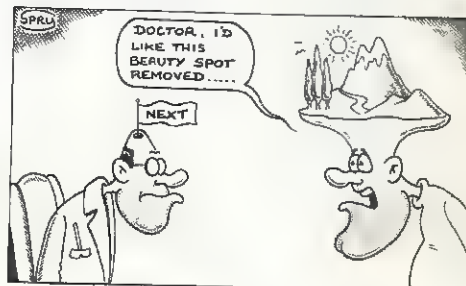

ANYTHING WITH CAP SLEEVES

What a giveaway. You're a Geordie aren't you? Only fifteen years out of date. Quite trendy for a flatcap I s'pose.

ANY ZIT T-SHIRT

You certainly know how to look sexy and pull members of the opposite sex. So, why not double your sex appeal. Turn to page 45 and order yourself another one.

More cheap plugs masquerading as informative surveys next month!

LOOK LIKE YOUR PARENTS... INSTANTLY!

OIL of OLD AGE

AMAZING RESULTS!

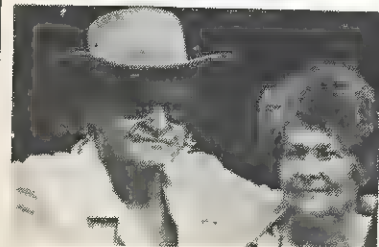

Yes kids, with new "Oil of Old Age" you can now look like your parents... *instantly!* This latex cream contains all you need. Just apply to your parents' faces whilst they sleep, then in the morning, remove mask and have hours of fun being "Mum" or "Dad."

Just think of the wonderful opportunities that will arise.

- Give yourself a rise in pocket money
- Tell your PE teacher that you're exempt from cross country indefinitely
- Inform the local sweet-shop owner that "the kids" have unlimited credit
- Entice Mum to bed and find out what she's like in the sack

Reggie Carlton

...HE'S GOT A 'BOBBY CHARLTON'!

MEET MY BROTHER 'SNEKKY' CARLTON ... HE'S GOT A 'JACKIE CHARLTON'

HELLO, REGGIE? THIS IS YOUR BROTHER SNEKKY SPEAKING. DO YOU FANCY GOING FISHING?

YES! IT SOUNDS LIKE A GREAT IDEA! I'LL JUST SORT OUT MY HAIR AND I'LL MEET YOU AT THE PARK.

YOU'RE LOOKING VERY SMART REGGIE... ARE YOU MEETING A NICE YOUNG LADY FRIEND?

NO MUM, I'M OFF FISHING WITH OUR SNEKKY! PERHAPS ONE DAY I MAY MEET A NICE GIRL WITH SIMILAR HAIR INTERESTS.

LATER 'SNEKKY' CARLTON HAS WHAT IS COMMONLY KNOWN AS A 'JACKIE CHARLTON' - A LONG NECK!

HELLO REGGIE, ARE YOU LOOKING FORWARD TO A BIT OF FRESH-WATER FISHING?

YES I AM, AS LONG AS IT'S NOT TOO WINDY, OTHERWISE MY 'BOBBY' CHARLTON MAY BECOME UNMANAGABLE!

AT THE RIVER

OH NO! I'VE FORGOTTEN MY FISHING LINE... IT LOOKS LIKE WE'LL HAVE TO GO HOME...

UNLESS OF COURSE...

SOON... IF I TIE A MAGGOT TO THE END OF YOUR VERY USEFUL BOBBY CHARLTON, AND THEN TIE YOU TO THE END OF MY ROD, IT MIGHT JUST SAVE THE DAY

BRILLIANT! I'VE NEVER CAUGHT SO MANY FISH IN MY LIFE... WE'LL HAVE TO DO THIS MORE OFTEN !!

WHAT A GREAT IDEA OF MINE TO USE FIVE STRANDS AT ONCE!

WHAT A LOVELY DAY REGGIE SHALL WE DO A SPOT OF SUN-BATHING IN THE PARK?

GOOD IDEA SNEKKY!

I'M GOING TO LAY DOWN HERE IN THE RELATIVE SECLUSION OF THIS ATTRACTIVE BUSH!

I'M OFF TO FIND A BUSH BIG ENOUGH TO KEEP MY NECK IN THE SHADE

SOMEWHERE IN THE PARK !!!

MR PARK-KEEPER, A DANGEROUS HAIRY SPIDER HAS ESCAPED FROM THE ZOO AND COULD WELL BE SOMEWHERE IN THE PARK !!

IN FACT, THERE IT IS!

LET'S THROW THIS SHEET OVER IT AND THEN SYSTEMATICALLY HIT IT WITH THIS VERY HEAVY SHOVEL!

THAT'S IT! GIVE THE BASTARD A GOOD HIDING.

REGGIE!

LATER ... OH DEAR, THAT BEATING OF SOME SEVERITY HAS LEFT ME WITH A 'CLEO LAINE'!

IF I'M NOT MISTAKEN, THAT LOOKS LIKE THE CARLTON BROTHERS.

I'D RECOGNIZE SNEKKY'S 'JACKIE CHARLTON' AND REGGIE'S 'BOBBY CHARLTON' ANYWHERE!

HELLO GUYS, DO YOU FANCY A GAME OF SOCCER?

CAN I JUST STAND AT THE FAR POST AND 'NOD 'EM IN?

WITH A NECK LIKE THAT YOU CAN BE ON MY TEAM.

AT THE SOCCER PITCH

CROSS IT TO SNEKKY!

THIS SUDDEN WIND IS PLAYING HAVOC WITH MY HAIR GROOVES... IT'S TURNING MY BOBBY CHARLTON INTO A CHARLIE GEORGE.

LATER

THAT'S IT! STICK YER NECK OUT SNEKKY. THEY THINK IT'S ALL OVER - IT IS NOW GREAT GOAL!

SNEKKY'S 'JACKIE CHARLTON' HAS GIVEN US AN ALMOST UNBEATABLE 1-0 LEAD... AND NOW REGGIE'S GOT THE BALL...

...AND IT'S COLIN TODD TO PETER OSGOOD...

TRY A 30 YARDER REGGIE, BUT WATCH THAT YER BLOODY HAIR DOESN'T OBSCURE THE GOAL!

BOOT!

I'VE BEEN WELL BEATEN!

DEFENDER

REGGIE'S GOT A HELL OF A SHOT IN EITHER FOOT, BUT HE'S BROKEN THE NET AS USUAL! SOMETHING WILL HAVE TO BE DONE ...

5 MINUTES LATER

YOU'RE DOING A GREAT JOB REGGIE. THAT 'BOBBY' CHARLTON OF YOURS CERTAINLY COMES IN USEFUL. IT WEAVES PERFECTLY WITH THE OLD NET.

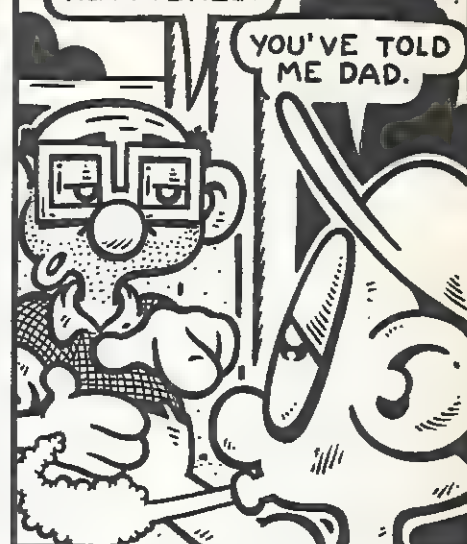

IT'S A FUNNY OLD GAME, SNEKKY!

INSTANT SEX APPEAL

NEW! Scientists have isolated and synthesized a natural female attractant – PHEROMONE. Controlled experiments show it attracts women and have been widely reported in the press:

- ...from widely reported in the press:
- 'Minute quantities were sprayed on a chair in a dentists waiting room. Women patients went straight for the chair.' – **The Sunday Times**.
 - 'Pheromone secretions not only attract women, but repel other males.' – **World Medicine**. (Journal for GPs)
 - 'A male sex pheromone which has a scent that attracts females' – **Time** (Vol. 115. No.2)
 - 'Pheromones are known to influence human behaviour in a subtle way. They are thought to prime women to be more sexually receptive and help to make their menstrual cycle regular.' – **Daily Telegraph**, 7.12.90.
 - 'And now the Pheromone has been marketed, we've tested it – and good grief, it works' – **Knave**.
 - 'The stuff attracts women like you would not believe.' – **Colorado Telegraph**.
 - Lowell Ponte, a former consultant on exotic weapons and a Readers Digest science writer, said in an interview that 'use of the recently discovered chemical Pheromone should be banned – congress should pass a law making it a crime to use this chemical to influence voters by making politicians appear more lovable' – **San Francisco Chronicle**.
 - 'It's something women don't consciously smell, it works in the olfactory nerves. The woman finds the man attractive but she doesn't know why.' – **Lifestyle**.
- SUCCESSFULLY TESTED ON BBC TV's TOMORROWS WORLD**
- CONTACT 18 is a Pheromone fragrance for men. User reports confirm success:
- 'It really does seem to work! The most dramatic instances have occurred when wearing it at discos. Girls just drift towards me and start flirting. D.T. Cardiff.
 - 'I knew CONTACT 18 wasn't a gimmick when one of the girls at work... quite out of character, started to seduce me when we were alone in the office.' S.D. Nottingham.

STOP YOURSELF TURNING INTO A SAD, MISERABLE OLD BASTARD.

Cheer yourself up with the chirpy knockabout toilet humour of issues 1–7 of ZIT. These much sought after – and sure to appreciate in value – back issues are now available to those unfortunate souls who missed out first time around.

So if you were too much of an idle so-and-so to walk to the shops and buy them when they first came out, you can still get to chortle at all the high jinks and bottom jokes – without having to shift your fat arse from your chair.

Simply complete the coupon below and send your money to ZIT Back issues, PO Box 859, Hove, East Sussex BN3 2BJ.

But hurry, they're going fast, and already copies of issue 1 are changing hands for a tenner*
